August 10, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for SC High School. The AER addresses the complex reporting information required by federal and state laws.

The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Sandra Macut, Principal for assistance.

The AER is available for you to review electronically by visiting the following website www.swartzcreek.org or you may review a copy from the main office at your child's school.

For 2010-2011, SC High School did not make Adequate Yearly Progress (AYP) in reading and math. We are continuously working to improve.

Reason(s) for not making AYP	Key actions underway to address the Issues
• We did not attain target achievement goals for all subgroups of students in mathematics. • We did not attain target achievement goals for all subgroups of students in English language/reading.	SCHS will work to have all students learn to their individual ability and to earn AYP as a school. Swartz Creek High School will provide increased support beyond the curriculum both in and beyond the classroom which is commonly referred to as Tier 2 and Tier 3 Interventions to students who receive special education services. We will do this in the least restrictive environment as determined by each student's Individual Education Planning Team. Additionally, we will ask parents to partner with the school to help their children improve their chances of learning by sending them to school each day, accessing tutoring in the high school when they are struggling or online at home through a variety of websites. We invite each student to routinely talk with his/her case coordinator to maximize his/her success.

State law requires that we also report additional information which may be found in the body of this report.

- Our SIP (School Improvement Plan) has annual reviews and revisions by each school and also by the district, which are implemented as soon as possible.

- The Swartz Creek School District follows the Michigan Merit Curriculum using High School and Grade Level Content Expectations to guide classroom instruction. Michigan recently adopted the National Common Core State Standards which Swartz Creek Schools is in the process of adopting as well. Core Standards can be found at: **http://www.michigan.gov/mde/0,1607,7-140-6530_30334_51042-232021--,00.html**

- Student building assignment is based on residency or by participating in the School of Choice process.

- Swartz Creek Community Schools ***does not*** have any specialized schools.

- Swartz Creek High School offered 7 Advanced Placement/College Equivalent courses.

- Swartz Creek High School gave 120 college credit tests to 72 students. 70 out of 72 or 58.3% of those students received a score leading to college credit.
