

A Poem by Jack Maxwell
"Ode to the Fearless Dragons"

Look out Metro Leaguers
You better Circle the Wagons
'Cause you're being invaded this year
By the **Athletes of the Swartz Creek Dragons**

We hope that you'll enjoy us
As We do our very Best
As we compete with your Great Teams
Such as Lapeer East and West

Just Being Metro Leaguers
Will really be a lot of Fun
And of course we think you Know
Our **Goal** is to be **Number one**

And that we will play every Contest
With our skill and reckless Abandon
Whether our Opponent shall be Linden,
Holly, Oxford, or Brandon

We Hope that you will Welcome Us
When we join with you All
In your Wonderful Sports Program
That's starting up this Fall

Go Dragons !!!
