Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2011-2012 educational progress for Swartz Creek Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Randy Hoover, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site www.swartzcreek.org or you may review a copy from the main office at your child's school.

For 2011-2012, Swartz Creek Academy did not make Adequate Yearly Progress (AYP) because:

- We did not attain student achievement goals in English language arts.
- We did not attain student achievement goals in mathematics.

We are actively working to address the school issues by:

- *Staff will re-work pacing guides to make sure Common Core Standards are covered.*
- *Reading and writing across the curriculum activities will take place regularly.*
- *Assessment test taking skills will be introduced in all classes.*
- *Practice testing will become part of the yearly schedule.*
- *The final exam of online courses will become a bigger part of the final grade to ensure that students are learning the intended objectives of the course.*
- *As an alternative high school we will strive to continue to keep the graduation rate as high as possible and the drop-out rate at an already low rate.*
- *Try to incorporate better parent involvement in the future.*

State law requires that we also report additional information:

1. Student building assignment is based on residency or by participating in the School of Choice process.
2. Our SIP (School Improvement Plan) has annual reviews and revisions by each school and also by the district, which are implemented as soon as possible. Our school improvement team consists of our entire staff, teachers and principal.
3. Swartz Creek Community Schools ***does not*** have any specialized schools.
4. The Swartz Creek School District follows the Michigan Merit Curriculum using High School and Grade Level Content Expectations to guide classroom instruction. Michigan recently

Our entire staff always encourages parents and community members to visit our school and ask questions. Our staff has been very successful in taking students behind in progress toward graduation and enabling them to graduate from high school. Even with our limited resources, we provide a comfortable, caring opportunity for those students who have struggled, academically.

Sincerely,

Randy Hoover, Principal
