

# The Pre-K Express

## November

The first two months of school have flown by, but they have been wonderful! Students have made friends and picked up the routines of Pre-K quickly. November will be a busy month. Picture Re-Take Day will be November 3rd, from 10-1:30. If your child had school that day and you want their pictures retaken, please let me know and we will get them done for you. If your child does not have school that day, you may bring them up to school and have them retaken. We will be having our annual Turkey Trot on Wed. Nov. 25 at 10a.m. If your child is in the Wed. p.m. class or comes on Tues/Thurs, you are more than welcome to come to school and join in on the fun! We will meet Mr. Turkey in the cafeteria, walk over to the senior center, sing Thanksgiving songs, and then return to CDC. There will be no school on Nov. 26 or Nov. 27 for the Thanksgiving Holiday. We will not be doing a formal Thanksgiving party, however during the week of Nov. 23-Nov. 25, we will be doing some fun Thanksgiving activities. In fact, your student will be bringing home a “homework” assignment for the entire family to do! This is a fun assignment that is very festive for the Thanksgiving Holiday. The assignment and directions for it are attached to this newsletter. Please return it as soon as possible so we can display it in the hallway! Have fun ☺

Also, for the upcoming holiday season, we will be doing a food drive for those in need. Please feel free to donate what you can. There will be donation boxes outside of our classroom.

Please take a look at the November book order. If you would like to order books, please return your orders by no later than Nov. 6. Hopefully this will give us enough time to get the books back before the holiday.

This month the students will be working on the following concepts:

Letters: G, H, and I

Numbers: 7, 8, and 9

Colors: Black, Red, and White

Shapes: Star, Heart, and Circle

Math: AAB Patterns and sorting into groups of 10

Fine Motor: Writing our first name, cutting, and tracing

Pre-Reading: Identifying the front and back of a book, predicting, authors, and illustrators

**At Home Practice:** Practice your child’s birthday! They need to know the month, the day, and how old they are!

Have a great month!

Mrs. Jacob
